

Membership Drive for the “Voice of Macedonia” Radio Program

Dear listeners,

With so much at stake in losing 'The Voice of Macedonia' forever, we need everyone to get involved on this struggle and help support us to keep it going.

This fight is critical, and if we are serious about keeping The Voice of Macedonia prosperous in our community, we need to fight as hard as we ever have now. There is no better time for you to start supporting 'The Voice of Macedonia', so your support today would be wonderful.

You and I are in this because we believe in a simple idea – that each and every one of us, working together, has the power to move the Macedonian community forward.

We have started a membership to help finance 'The Voice of Macedonia'. Your membership with us will provide critical support to the oldest Macedonian radio program in the Diaspora so that we can continue to reach out to hundreds of thousands of listeners like we have in the past 41 years. Our lack of finances to keep the program running has forced us to downsize drastically only allowing it to air 2 days a week for only half an hour every show. Changing this with the help of your membership happens only from the bottom up. That change happens only because of you. We need your commitment today. And we need your help to get your friends and neighbours involved. By bringing in a new member today, \$50.00 dollars turns into \$100.00. And with your generosity we will have twice the resources to make important investments towards making 'The Voice of Macedonia' better and richer for your needs.

Our goal is to be able to air one hour everyday, Monday to Friday between 6:30 and 7:30PM on 100.7 FM. A yearly half hour show costs \$70,000.00 and a 1-hour show costs \$140,000.00. Your \$50.00 yearly membership will be put towards this goal.

To become a member you can write a cheque to “CHIN Radio” and send it to:

If we meet our goal – we will not just get 'The Voice of Macedonia' back on air. In the years that come, we can realize the positive change we are looking for – and reclaim the Macedonian community in Toronto.

Thank you for being a part of it,

Dragica and Nikola Belchevski
